Collective

The entirety of the prayer is in the collective

Assumes we are in community – challenges individualism of our society

Journeying with the Father

Invitation to Encounter

Invitations

- have to be accepted
- comes at a cost to our time
- keeps us fresh

Journeying with the Father

Intimacy over duty

Times we can be going through the motions

Invitation of Jesus to new relationship with Father

Father's Character

When we know who He is we will truly know who we are

What area of the Father's character do you individually/collectively need?
